

2010 Camp Tipton Scholarship Application Form

We know there are times that folks may need a little help getting their kids to camp. As much as we wish camp could be free, there are expenses involved in providing transportation, facilities, food, craft materials, and staff that make it impossible for us to do camp for free. In order to give as many children a chance to participate as possible we must collect half of the fee (\$35.00) from each camper, and can allow only one scholarship per child for a single week. Any other week must be paid in full. The scholarship does NOT apply to Equestrian Expedition. To qualify for the scholarship, your child must qualify for the school lunch program.

Simply fill out this form telling us of your need and mail along with a registration form for each child to Camp Tipton, 933 Walker School Road, Maryville, TN 37803 as soon as possible; once received we will contact you to verify the reservation.
