

# Camp Tipton 2010 Camp Schedule

We have a great summer planned!

**Notice we have lowered our prices for a week of camp!** Not only is Camp Tipton your least expensive alternative for summer, it is the most fulfilling! Keep your kids engaged in constructive character building adventures in a Christian environment for less – with a field trip included each week...

## **Art Adventures: May 31 – June 4, \$70**

This week will introduce day campers to art and will include multiple media. There will be an emphasis on creativity as a vehicle to understanding God and His creation. The types of projects will include as much as possible unusual or unique techniques.

## **Creation Commotion: June 7 - 11, \$70**

This week will help campers discover God's creation on the grounds of Camp Tipton and at Cades Cove during a field trip. They will engage in crafts that use natural ingredients.

## **Tinker Time: June 14 - 18, \$70**

This week will encourage day campers to think about how things are assembled and how God's perfect laws of physics enable the things around us to work. Gadgets such as clocks, tools, old-time motion toys, and other mechanical devices will demonstrate how God gave us the ability to solve problems and enhance our lives. The kids will make several toys they can take home with them, or things like bird houses and feeders.

## **Major Mission: June 21 - 25, \$70**

This week will introduce day campers (and possibly overnight campers) to the idea of helping others and the reasons we help others. They will engage in some light home repair projects such as building a handicap ramp, and perhaps some painting or yard work for elderly in the community.

## **Music Madness: June 28 - July 2, \$70**

This week will introduce day campers ( and possibly overnight campers) to music and musical instruments. The kids will learn to make a joyful noise unto our loving God. They will be making some simple backyard instruments and learn how to play them.

## **Operation Outdoors: July 5 - 9, \$70**

This week will be filled with outdoors activities. Day campers will learn about God's provision for us in healthy bodies and mastery over them that will reveal His love for us. Activities include rock climbing, archery, challenge course, making fishing lures, etc.

## **Equestrian Expedition: July 12 – 16, \$115**

This week will teach day campers how powerful God is and that even though He is all powerful, we need not be afraid of Him. They will learn that trusting a horse can be very much like trusting God, and that He is strong enough to carry us through anything.

## **Sports Spectacular: July 19 - 23, \$70**

This week is about all kinds of sports events in the form of a *mini-Olympics*. Day campers will learn about teamwork and personal growth. They will learn that God's people sometimes have to stand alone and sometimes must work as a team.

## **Survival Splash: July 26 - 30, \$70**

This week will introduce day campers to basic survival skills. It could include demonstrations of things like solar stills, building a fire properly, building a fire with a bow drill, crafting a simple lean-to, and similar. They can make some simple survival tools they can carry home with them.

**ATTEND THE FIRST EIGHT WEEKS AND THE NINTH WEEK IS FREE**

The specifics of each week's activities are subject to change due to weather and circumstances beyond our control.
