Mission Teams

"And he said to them, 'Go into all the world and proclaim the gospel to the whole creation'" –Mark 16:15

Our Vision

The Vision of our ministry is to share Christ with our local community by partnering with local churches, visiting mission teams, and other mission agencies.

Mission Opportunities

There are several different projects available for teams to participate in.

- Working with **Summer Day Camp** (elementary school-aged kids)
- **Construction and Repair** projects (based on group's skill set)
- **Community Outreach and Evangelism** projects (block parties, Vacation Bible School, back yard Bible clubs, door-to-door evangelism, food drives, nursing home ministry, cades cove etc.)
- **The Dragon.** This is an evangelism project special to Camp Tipton's heart, where groups will travel up to Highway 129 (which is a world-famous motorcycle and sport car destination), which is affectionately known as the Dragon. There, they will pass out water and have the opportunity to witness to bikers and travelers from around the world.
